

### Principal Dimensions:

	Imperial (Metric)
Length overall (incl. platform)	52' (15.80 m.)
Length of hull	49'8" (15.20 m)
Beam	14'7" (4.45 m)
Draft inc. props	3'7" (1.15 m)
Displacement with Volvo 575 hp	37,500 lbs. (17,000 kg)
Fuel capacity	405 gallons (1,850 lt)
Fresh water capacity	121 gallons (550 lt)
Black water capacity	39 (180 lt)

### Engine Options:

2 x Volvo 575 hp. speed range 30 – 32 knots  
2 x MAN 730 hp. speed range 34 – 36 knots

### Construction

Vacuum assisted infused GRP, closed cell sandwich construction  
Isophthalic gelcoat  
Vinyl-ester resin  
Biaxial, triaxial and unidirectional glass fiber  
BGSS (Bonded girder stiffening system)  
Carbon & Aramid reinforcement  
Post curing  
Built in full accordance with RINA CE-B certificate

### Summary of Main Standard Equipment

48.000 BTU full cabin air-conditioning with central chiller system  
11 KW 220/240 V diesel generator  
Salon LCD TV and DVD player  
Hi-Fi surround system  
Electric refrigerator  
Ceramic hob and microwave  
Ice maker with separate water tank and filler  
Vacuum toilets with gray and black water tank  
Flybridge wet-bar with barbecue, refrigerator and sink  
Transom door  
Hot and cold transom shower  
Shore power with battery charger  
Teak laid bathing platform and cockpit  
Manual easy-fold aluminium gangway  
Bimini top  
Inverter  
Power assisted hydraulic steering  
Electronic engine and gear controls  
Bow thruster  
Electric anchor winch with wash  
Electric trim tabs  
VDO engine instrumentation  
Autopilot, chart plotter with colour screen, radar, GPS, compass, echo sounder, VHF  
Automatic fire extinguishers in engine room  
Automatic bilge pumps  
Stainless steel railing  
Windscreen wipers  
Crew cabin with toilet

### Main Deck

Anchor 25 kg. galvanized  
Chain, 10 mm. 60 m. galvanized  
Anchor wash  
Windlass, 1,500 W  
Sunbathing cushions  
Handrails  
Swimming ladder  
Hot and cold transom shower  
Navigation lights  
Nonslip finish  
Fuel filler x 2  
Fresh water filler  
6 Fenders  
Bow sun bathing cushions

### Cockpit

Self-draining  
Crew cabin entrance  
Dining table and seating for 6  
Ice maker

Dual navigation station with full navigational equipment  
Main instrument and control console  
VHF  
Horn  
Remote searchlight  
Fire extinguisher  
Dining table and seating for 6, storage under  
Wet bar with sink, barbecue, refrigerator  
Bimini top

### Living Room

LCD TV with Hi-Fi surround system  
DVD player  
Control panel for domestic electric circuit  
Lockers under seating

### Galley

Teak decking in galley area  
Refrigerator/freezer  
Ceramic hob  
Microwave/oven combo  
Sink/drain  
Overhead and under top cupboards fitted with plate and cup restraints  
Fire extinguisher  
Rubbish bin

### Master and VIP Rooms

King-size bed, storage underneath  
Rope lights  
Reading lights  
Hanging wardrobe with mirrored door  
Portholes with nets and curtains  
Deck hatch with blind  
A/C socket  
Ensuite bathroom

### Guest Room

2 single berths  
Under berth storage  
Wardrobe  
Reading lights  
Porthole with nets and curtains  
A/C socket

### Master, VIP and Guest Shower Rooms

Marble counter top  
Wash basin  
Mirror  
Glass holder  
Towel ring  
Cupboard  
Vacuum toilet  
Shaver socket  
Acrylic sliding shower door

### Fuel System

Twin 925 lt. stainless steel fuel tanks  
Changeover valve system permitting each engine to draw/return fuel from/to each other  
Individual fillers and vents

**Electrical System**

2 x heavy duty (200 AH) batteries for engines with cross-over  
6 x heavy duty (200 AH) batteries for service  
2 x Gel type (140 AH) batteries for bowtruster  
100 amp 24 V battery charger  
1 generator battery  
Water heater

**Optional Equipment**

Hydraulic lifting bathing platform incl. locking device  
Hydraulic passerella (standard with 600 hp + motors)  
Water maker, 140 lt./hr.  
3.5 KW back-up generator  
Life raft, 6 person  
Anti fouling  
Shore power cord with automatic reclaim  
A/C for  
crew cabin

Standard items will vary on boats supplied to the Middle Eastern and American markets. Every attempt has been made to give accurate information. However, technical data, characteristics and performance are as guide only and not binding on Numarine. The condition of the hull, tuning of the engines, weather conditions and the weight of the boat would affect the performance. The diagrams and visuals are not contractual and may include special equipment that is not part of the standard equipment supplied. Numarine reserves the right to modify its yachts at any time without notice and without any obligation to update products already built and/or sold.
