

Standard items will vary on boats supplied to the Middle Eastern and American markets. Every attempt has been made to give accurate information. However, technical data, characteristics and performance are as a guide only and not binding on Numarine.

The condition of the hull, tuning of the engines, weather conditions and the weight of the boat would affect the performance. Special equipment that is not part of the Standard equipment supplied.

Numarine reserves the right to modify its yachts at any time without notice and without any obligation to update products already built and / or sold.

Principal Dimensions	Imperial	Metric	Construction
Length overall (incl. platform)	52'	15.85 m.	Vacuum assisted infused GRP, closed cell sandwich construction
Length of hull	49' 8"	15.20 m.	Isophthalic gelcoat
Beam	14' 7"	4.45 m.	Vinylester resin
Draft incl. props	2' 9"	0.90 m.	Biaxial and unidirectional glass fiber
Displacement with Volvo 575 hp.	30,900 lbs.	14,000 kg.	BGSS (Bonded girder stiffening system)
Fuel capacity	406 gallons	1,850 lt.	Carbon & Aramid reinforcement
Fresh water capacity	121 gallons	550 lt.	Post curing
Black water capacity	35 gallons	150 lt.	Built in full accordance with CE-B certificate

Engine Options

2 x Volvo 575 hp. speed range	33 – 35 knots
2 x MAN 730 hp. speed range	38 – 40 knots
2 x MAN / Arneson 700 hp. speed range	44 – 46 knots

Summary of Main Standard Equipment

40.000 BTU full cabin air-conditioning with central chiller system
 11 Kw 220/240 V diesel generator
 Salon LCD TV and DVD Player
 Hi-Fi surround system
 Electric refrigerator
 Ceramic hob and microwave
 Ice maker with separate water tank and filler
 Vacuum toilets with gray and black water tank
 Cockpit wet-bar with barbecue and refrigerator
 Transom door
 Hot and cold transom shower
 Shore power with battery charger
 Teak laid bathing platform
 Manual easy-fold aluminum gangway
 Bimini top
 Inverter
 Power assisted hydraulic steering
 Electronic engine and gear controls
 Bow thruster
 Electric anchor winch with wash
 Electric trim tabs
 VDO engine instrumentation
 Autopilot, Chart plotter with color screen, radar, GPS, compass, echo sounder, VHF
 Automatic fire extinguishers in engine room
 Automatic bilge pumps
 Stainless steel railing

Main Deck:

Anchor 25 kg galvanized
 Chain, 6mm 60 m
 Anchor wash
 Winch, 1500 W
 Sunbathing cushions
 Handrails
 Swimming ladder
 Shower on aft platform
 Fresh water marina connection
 Shore power cord with automatic reclaim
 Navigation lights
 Non-slip finish
 Fuel filler
 Fresh water filler
 6 fenders
 Bow and aft sun bathing cushions

Cockpit:

Self-draining
 Seating for 2 at helm position
 Full navigational equipment
 VHF
 Horn
 Main instrument and control console
 Fire extinguisher
 Dining table and seating for 6
 Refrigerator (not available with optional crew cabin)
 Sink
 Grill
 Bimini top
 Icemaker

Master room:

Queen size bed, storage under
 Rope lights
 Reading lights
 Hanging wardrobe with mirrored door
 4 portholes with nets and curtain
 Deck hatch with blind
 A/C socket

Guest rooms:

2 Single berths
 Under berth storage
 Wardrobe
 Reading lights
 Porthole with nets and curtain
 A/C socket

Master suite and guest shower rooms:

Marble counter top
 Washbasin
 Mirror
 Glass holder
 Towel ring
 Cupboard
 Electrical toilet
 Shaver socket
 Acrylic sliding shower door

Salon:

LCD TV with Hi-Fi surround systems.
 DVD player
 Control panel for domestic electric circuit.
 Lockers under seating

Galley:

Teak decking in galley area
 Refrigerator/Freezer
 Ceramic hob
 Microwave / oven combo
 Sink / drainer
 Overhead and under top cupboards fitted with plate and cup restraints
 Fire extinguisher
 Rubbish bin

Fuel Systems:

Twin 925 lt. stainless steel fuel tanks.
 Changeover valve systems permitting each engine to draw/return fuel from/to each other.
 Individual fillers and vents.

Electrical Systems:

2 x heavy duty (200AH) batteries for engines with cross-over
 6 x heavy duty (200 AH) batteries for service
 2xGel type (140AH) batteries for bowthruster
 100 amp 24 v battery charger
 1 x generator battery
 Water heater

Optional Equipment:

Hydraulic lifting bathing platform
 Hydraulic passerella (Standart with 730 hp MAN)
 Water maker 140 lt./hr.
 Crew cabin with toilet and A/C
 6 person life raft, under the cockpit flooring.
 Teak cockpit floor.
 Zodiac rib + 8 hp. motor
 Rib and Jet ski recovery systems
 Anti fouling.
 Shore power cords with automatic reclaim
